What goes on at camp ?

Sokol Fort Worth Staff have a wealth of experience running Children's Summer Camps both in Europe and the U.S.

The camps are designed to offer your child a variety of physical activities to keep them active, healthy and happy during the summer months.

A typical day starts by offering an early bird drop off for working parents from 7am on. Feel secure that your child is in the caring safe hands of our staff until the camp begins at 9am

Mornings are dedicated to gymnastics, trampoline, tumbling and hip hop instructed by our professional team of Sokol Coaches

The afternoon hours are spent letting kids be kids. swimming at the Aquatic Center in Saginaw, bowling, putt putt golf or playing on the huge Sokol Waterslide. Safety is a priority so we have a ratio of 1 counselor assigned to every 8 campers. Campers must wear their camp tee shirt to off site activities. Fridays are All Day Field Trips to a variety of fun places like Mountasia which features bumper boats, mini golf, and go kart rides as well as age appropriate activities for all ages.
